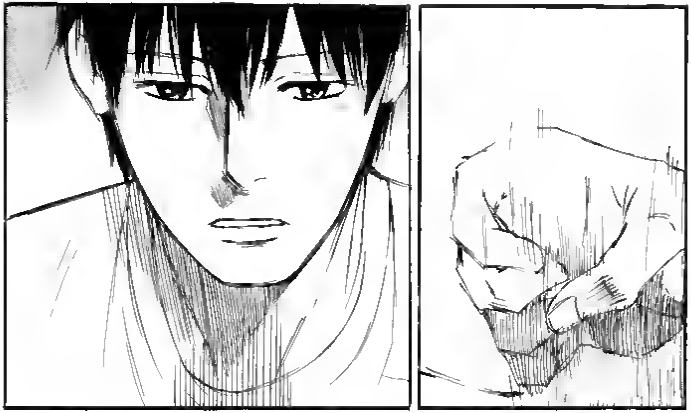
Today too, someone, somewhere, is masturbating
Fap fap over there,
schlick schlick over here.
Nah,
let's stop thinking too much...
I wonder how I should go at it...
I think I can do it

And just let my own heart and body teach me how
STEP.7: MORE. . .



My right hand
is moving on it's own
?

I'm feel-ing
a bit itchy...

Izumi...
san...
If I
continue
like this...
If I...

Why...
Why am I making a face like that?

Why do I look so pitiful..?
But...

I
CAN'T
STOP!
